Iduapriem Mine Honoured at 2024 Ghana Health Service Excellence Awards

Manager- Health Services, Dr. Kwesi Gyeni Annor receiving the special 2024 Ghana Health Service (GHS) Excellence Award on behalf of Iduapriem Mine for its significant contributions to quality healthcare delivery in the Western Region, supported by the Western Regional Health Directorate team

On Wednesday, 20 November 2024, Iduapriem Mine was honoured with a special award at the 2nd Ghana Health Service (GHS) Excellence Awards for its significant contributions to quality healthcare delivery in the Western Region, particularly through investments in health infrastructure, community health programmes, and capacity building for health workers.

The special award was given to Iduapriem Mine following a nomination by the Western Regional Health Directorate for its pivotal role in supporting and enhancing health services in the region. This achievement underscores the Mine's unwavering commitment to corporate social responsibility and its dedication to improving the well-being of communities.

This year's event brought together a distinguished audience, including His Excellency President Nana Addo Dankwa Akufo-Addo; His Royal Majesty, King Tackie Teiko Tsuru II, the Ga Mantse; Adelaide Ntim, Deputy Minister for Health; Dr. Sefah Sarpong Bediako, Chairman of the Ghana Health Service Council; and Dr. Patrick Kuma-Aboagye, Director-General of the Ghana Health Service, among others.

In his keynote address, President Akufo-Addo lauded the award winners for their commitment and significant contributions to the nation's healthcare system. "Your dedication and invaluable efforts are not only inspiring but also essential to the continued growth and improvement of Ghana's healthcare sector," the President remarked.

The GHS Excellence Awards, organized by the Ghana Health Service, is an annual event aimed at recognizing and celebrating individuals, institutions, and organizations that have made outstanding contributions to Ghana's healthcare system.
